

# Visual & Performing Arts Department @ Solorio Academy High School

Students can explore their creative side at Solorio through a rich visual and performing arts department. To fulfill their arts credit required for graduation, we offer band, choir, visual art, and digital photography. After school, students can participate in extracurricular activities ranging from ballroom dance, graphic design, mosaics, musical theater, and folk dancing.

## Staff

- **Band: Madeleine Mollinedo, [mmollinedo@cps.edu](mailto:mmollinedo@cps.edu)**
